

GAYATRI HOMES

A remarkable the manifestation of this thought is the Gayatri Homes. It is a deliberate choice to encourage eternal beauty, a modest timeless façade for a tight-knit community of 50 Bungalows. A large, well planted garden is a purposeful addition to increase the potential for a socially active living environment. Homes that have been properly designed ensure warmth and space by being thoughtfully laid out to be both cozy and open. Thoughtful leisure is generously sprinkled to add that extra dose of happiness to mundane lives.

All in all, the architecture of Gayatri Homes is designed to offer eternal delight.
