MONARCH
Received Gujarat's first IGBC
Green Building Certificate
for Monarch Commercial,
at Gaurav Path, Pal.

LET'S GO HOME!

home is a word that resonates deeply. For us, it evokes family, childhood, some of the most vivid memories. It conjures images and emotions! It brings comfort to the soul, that names a place we want to return to, that makes us feel safe, loved and nurtured.

WE BUILD IDEAL HOMES!

After completing our commercial project Monarch at Gaurav Path - Pal, Surat which is a landmark on its own, changing many things in the real estate arena, being the first IGBC certified green building in Gujarat, we decided to venture in to residential segment.

With Monarch Residency, we are trying to create homes which will be sufficiently sized for modern families with quality consciousness as well as budget in mind.

Highlights of Monarch Residency

1. Large common plot with a multipurpose hall and utility area for members to celebrate every festival
2. Goods elevator for the first time in a residential building
3. Best in class water proofing in wet area, basement and terrace
4. World class electrical network design and implementation
5. Fully usable terrace for all members
6. 40 feet long and common passage around elevators, providing better light, air and openness
7. Large sized wash area and kitchen
8. Well connected and easily reachable from Pal Gaurav Path and Canal Road
9. Safe and well populated residential area with necessary amenities like school, hospitals, banks, shopping centres, gardens, entertainment and commute options. (Ola/Uber)
10. Every home equipped with fibre optic terminal; for future ready high speed data network of tv, telephone, internet, education and gaming

A unique project

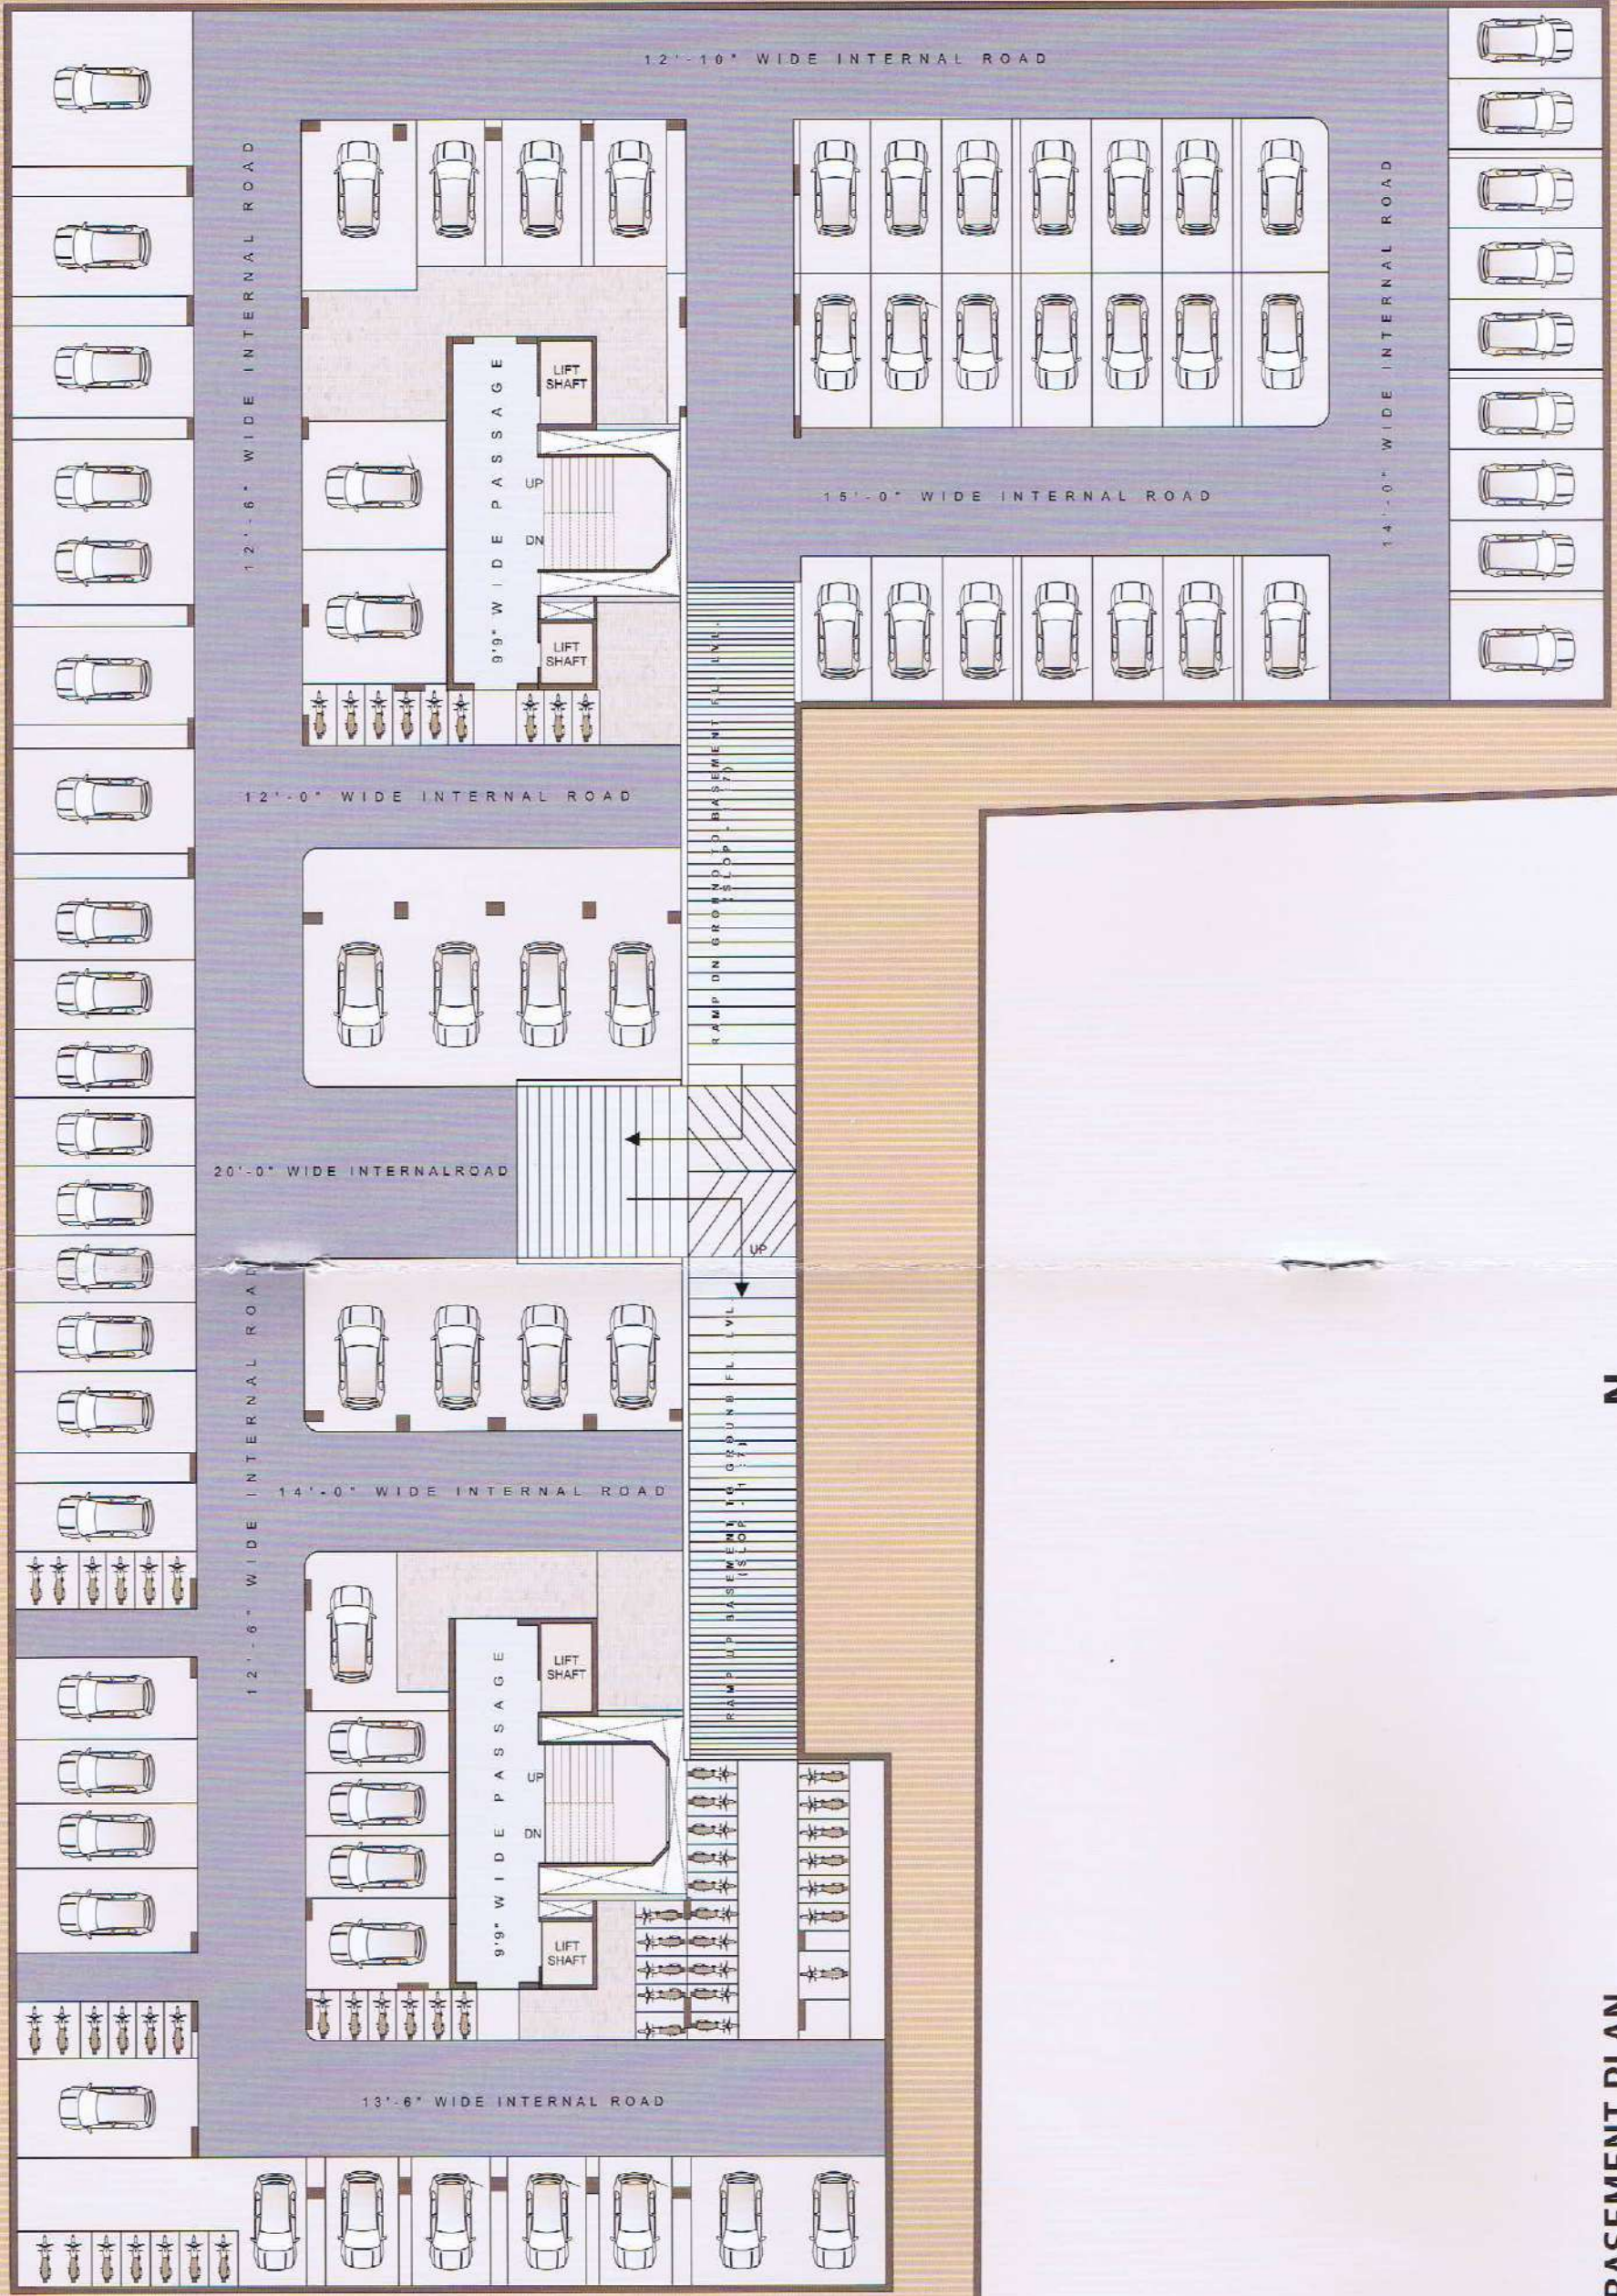

with two buildings with an adjoining common area, beautifully created for recreational purposes.

A meticulously designed floor plan that allows easy movement and a feel of open space in the available numbers of square footage.

We like to pay attention to the details and that's where we intend to surprise our customers, as we have done in our previous project.

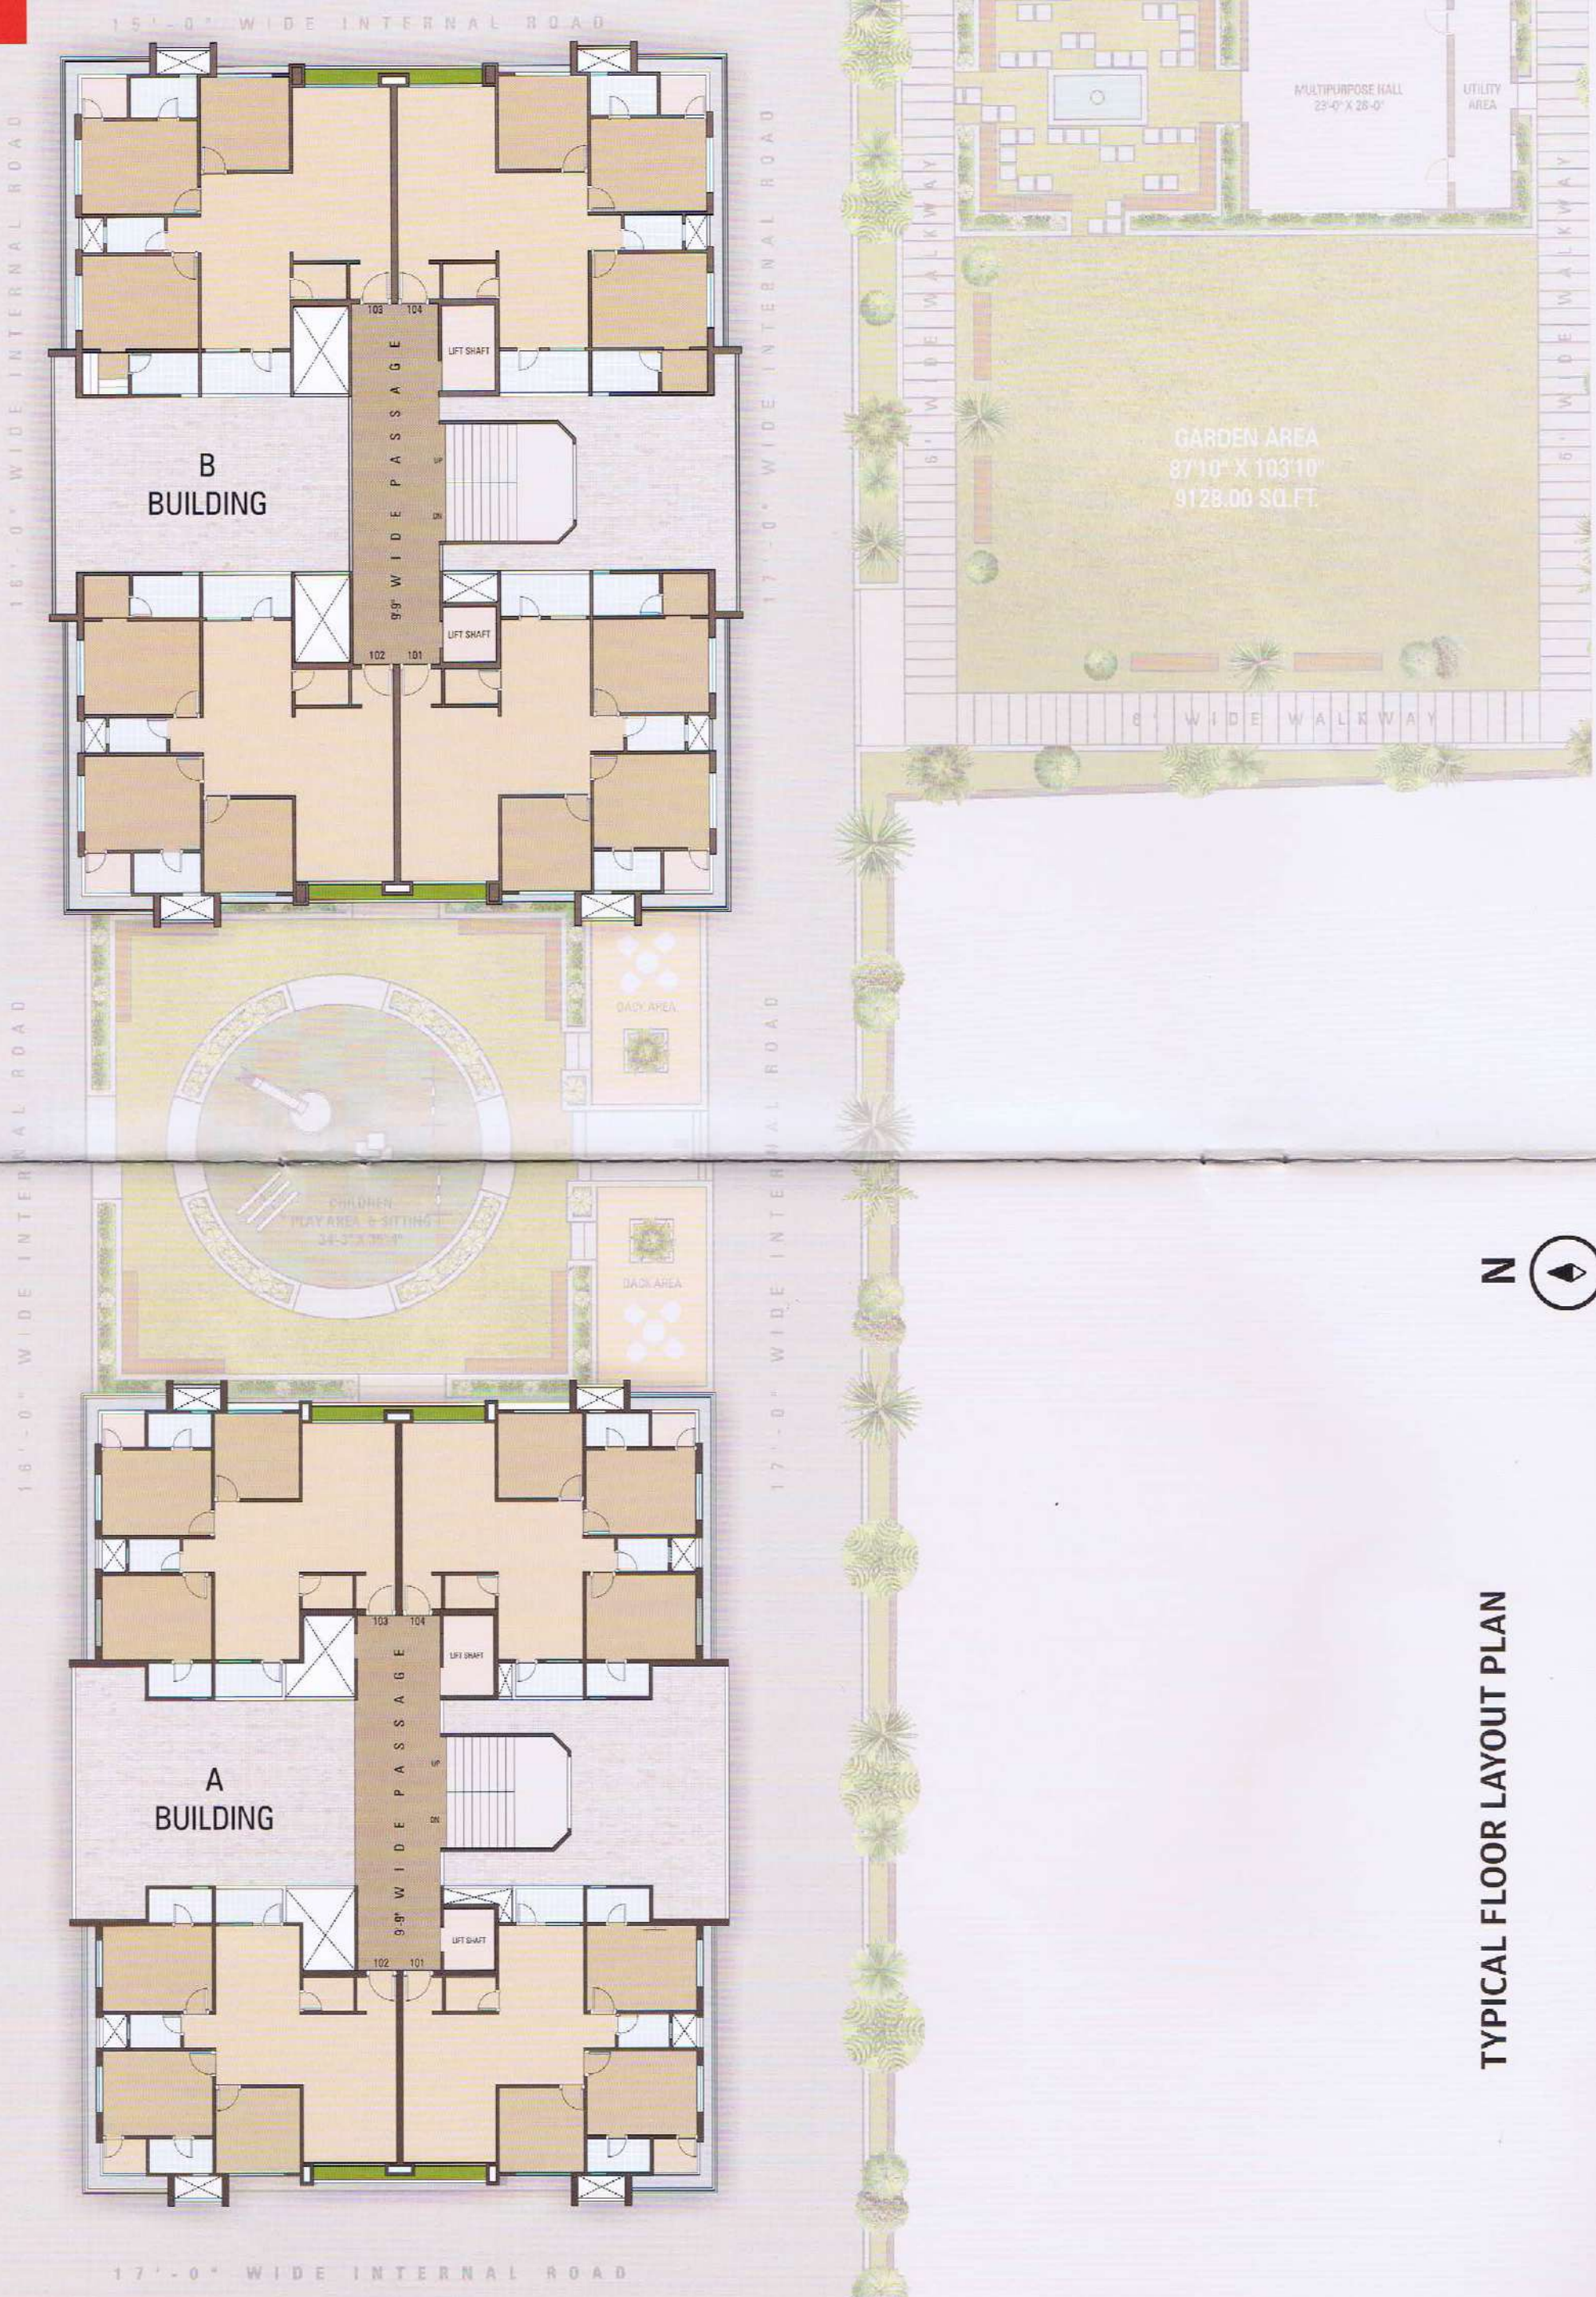

BASEMENT PLAN

18.00 MT. WIDE T.P. ROAD

GROUND FLOOR LAYOUT PLAN

TYPICAL FLOOR LAYOUT PLAN

Building A - Unit Floor Plan

Carpet Area Sq.ft	Balcony & Wash Area Sq.ft	Total Sq.ft
