CITY GOLD

A photograph of a modern building facade at dusk. The building features a series of horizontal, dark-colored bands that create a rhythmic pattern. Several windows are visible, some of which are illuminated from within, casting a warm, yellow glow. The sky is a deep blue with scattered, light-colored clouds. The text 'CITY GOLD' is written in a gold, sans-serif font on the upper left portion of the building's facade. The overall composition is a low-angle shot, looking up at the building.
